

Provider Referral & Billing Guide

RBS WIG STUDIO | PROVIDER RELATIONS

Specialized cranial prosthetic solutions for patients with medically-related hair loss.

Who We Serve

| | | | |
|--------------------------|---|------------------|--------------------------------|
| Chemotherapy & Radiation | Alopecia (Areata, Totalis, Universalis) | Trichotillomania | Autoimmune & Thyroid Disorders |
|--------------------------|---|------------------|--------------------------------|

Medical-Grade Products

| | | |
|--|--|---|
| Hypoallergenic Caps Breathable, non-irritating materials for sensitive scalps. | Secure Non-Slip Fit Stable fit without adhesives – no skin breakdown risk. | Custom Tailoring Matched to each patient's hair texture and scalp measurements. |
|--|--|---|

Insurance & Billing Quick Reference

| | |
|-------------------------|------------------------------------|
| HCPCS Code | A9282 – Cranial Prosthesis |
| Prescription Must State | "Cranial Prosthesis" – never "wig" |
| ICD-10 Alopecia | L63.9 |
| ICD-10 Hair Loss | L65.9 |
| ICD-10 Neoplasms | C00–D49 |

 **Always write 'Cranial Prosthesis' on prescriptions – never 'wig.' This is the #1 cause of claim denial.**
